

South Pacific Industrial Limited

2009 / 2011 Environment Policy

SPI are committed to carry out our work in such a way, that we do not contaminate air, water or land.

We will:

- Comply with all Statutory and Local Authority's requirements.
- Provide safe storage and identification of chemicals.
- Use and dispose of chemicals in an acceptable safe manner.
- Control noise pollution to a level acceptable to the local authority.
- Ensure employee's and sub-contractors understand and comply with our policy.
- Monitor our performance by regular Auditing.

Results:

- Our commitment to this policy will help to ensure that present and future generations will enjoy a quality environment.
